

Nova Scotia • Canada

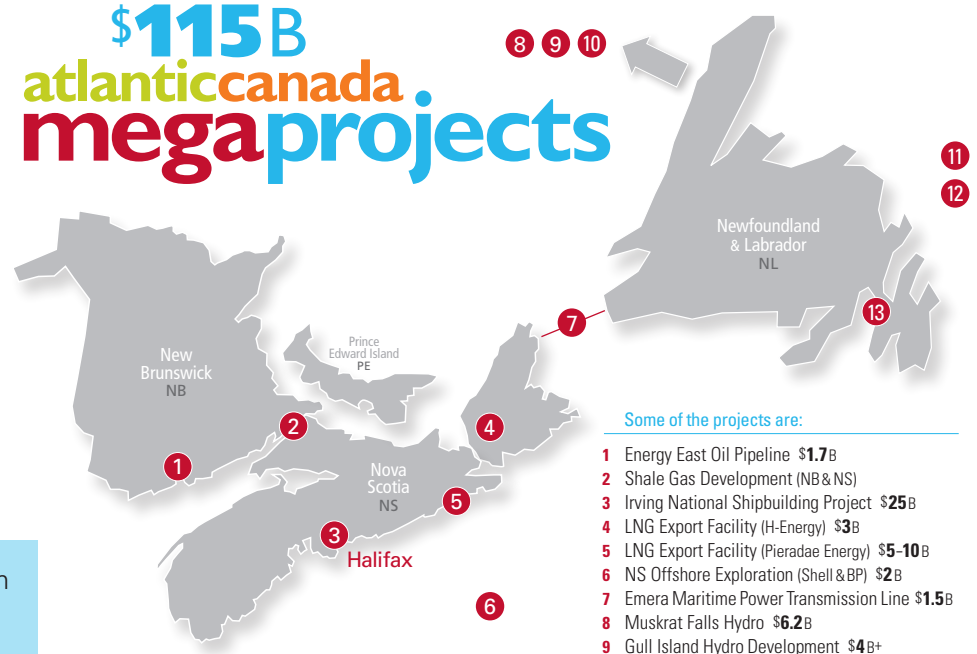

An Invitation

The **Halifax Gateway Council** invites you to meet with the CEO's and officials of the **Halifax Stanfield International Airport**, the **Halifax Port Authority** and **CN Rail** as they present the **\$115 Billion (€82B)** in major project activity impacting **Halifax** Nova Scotia, Canada.

European presentations 2013
Amsterdam
 Wednesday **November 6**
12:00-14:00 includes lunch
 Schiphol Airport, Exchange Avenue, 3rd Floor
 (above Departure Hall 1 at the Panorama Terrace)

Major project investment is helping to redefine the economy of Nova Scotia and Atlantic Canada. The current projects include a number of offshore and onshore oil and gas, mining and manufacturing projects. The growth in resource and manufacturing projects is also matched by a growth in investment at the local level in transportation systems, infrastructure, and residential and commercial property.

\$115B atlanticcanada megaprojects

Some of the projects are:

- 1 Energy East Oil Pipeline \$1.7B
- 2 Shale Gas Development (NB & NS)
- 3 Irving National Shipbuilding Project \$25B
